

7 January 1976

STAT MEMORANDUM FOR: [REDACTED]  
OC-ADP Special Administrator

SUBJECT : Completion of RECSKD Project

REFERENCE : RECSKD Project Proposal dated February 19, 1975

1. Development work on the project RECSKD (229028F) has been completed according to the specifications detailed in the project proposal. All programs and documentation has been turned over to the OJCS Production Branch Centralized Library. The IC Branch of OC will perform the production running of the project.

STAT 2. I have been designated Primary Applications Specialist for this project. If you encounter any problems with the system, please contact me [REDACTED] in GD5321 Headquarters.

3. If you concur with the completion of the developmental work, please sign and return this memorandum.
